Capt Ed Garr paying tribute at a crash site...

The American Vietnam War was fought from 1 November 1955 to 30 April 1975) between North Vietnam and South Vietnam. North Vietnam was supported by the Soviet Union and China, while South Vietnam was supported by the United States and other anti-communist nations. By 1961, North Vietnam was covertly sending North Vietnamese Army (NVA) soldiers to assist the southern guerilla insurgents of the Viet Cong (VC.) President John F. Kennedy increased US involvement in the early 1960s, including military advisors and military aid to the Army of the Republic of Vietnam (ARVN).

Direct US military involvement escalated from 1965 with U.S. forces numbering 184,000 in 1966 and exploded to over half a million by 1969. They extracted tremendous losses with the advances in helicopter warfare and massive advantage in airpower and artillery.

There are few times in a man's life when he has the opportunity to walk the places that profoundly shaped the rest of his life, places with deep meaning for him like: **Saigon, Cu Chi, Dong Tam, Phouc Vinh, Bien Hoa, An Loc, Long Bien, Da Nang, Khe Sanh, An Hoa, Quang Tri, An Khe, Pleiku, Route 9, Tay Ninh, Tan Bien, Song Be, China Beach, Hanoi, the Hai Van Pass**, and many more.

The highly experienced, **Vietnam-veteran battlefield guides** of **AMERICAN HISTORY PROJECT** have walked them all. We have an outstanding working relationship with the Vietnam government that allows us access to areas previously restricted to other travelers. Our guides have been back to Vietnam dozens of times and are intimately familiar with the terrain, the battlefields, and the people. They have escorted American veterans and family members, aged 18 months to 84, all of whom had richly rewarding and highly memorable trips. Each expedition is custom-tailored from our time-proven basic itinerary. This ensures the most complete adventure package possible, taking you to the most important places of your particular time or interest in the war. Vietnam is eager to welcome the returning American veterans. The Vietnamese people are gracious and sincerely happy to have us with

them again. The scenery is great, the food is delicious and the hotels in which we stay are beautiful and very comfortable. Your spouse and children will love it, too.

And now the best part . . . at **only \$5,185 per person**, this tour is an outstanding value, making it not only affordable for you to travel, but also to bring other family members. You can invite your friends to come along, too. Together we will visit the sites at which we fought and which are written in our collective history. The price includes everything you see except your airfare, drinks and souvenirs. The single supplement is **only \$995**. If you need to visit any place in Vietnam that is not on the itinerary, please contact us and we will see if we can get you there!
